County Votes $10,000 For Ambulance Fund

The San Mateo County Board of Supervisors Tuesday approved the transfer of $10,096.47 from the unbudgeted reserve for the new 24-hour county-operated ambulance service and set up three new positions to carry on the service.

The supervisors set up the position of captain of the ambulance service, at a salary range of $190 to $230 a month, an ambulance driver-attendant at a range of $170 to $210 and an additional telephone operator at a range of $110-$150.

Included in the transfer of funds is $4400 for Community Hospital capital outlay for ambulance service, $5146.47 salary and $550 maintenance and operation.

The supervisors adopted an ordinance accepting the shoreline and recreation master plan for shoreline property acquisition recommended on Dec. 15 by the County Planning Commission. At present 10 per cent of the shoreline in San Mateo County is county-owned. The master plan sets forth seven sections for public acquistion, or a total of approximately 50 per cent of public owned shoreline property.

All the property proposed for public acquisition is on the Coastside, with the exception of the San Mateo Municipal Golf Course.

A. J.Gaggero,mayor Daly City was appointed a member of the County Civil Service Commission upon recommendation of Supervisor Thomas L. Hickey. Mayor Gaggero, who was a member of the County Grand Jury in 1936-37, succeeds Henry C. Hall, member of the county school superintendent's office, who was ruled ineligible for the post.

E. J. Maguire, mayor of San Bruno, turned down an appointment to the office of commissioner of Housing Authority of San Mateo County. He said other duties made it impossible for him to accept the post.

A request by County Clerk William H. Augustus that a new position of supervisor of registration and election be set up to take effect during the next fiscal year was approved by the board. Augustus proposed a salary of $250 a month.

The supervisors approved transfer of $3500 from the unbudgeted reserve to the Community Hospital fund to take care of, among other things, $2900 for blood bank transactions for the first six months of the present fiscal year.

Next meeting of the supervisors will be Feb. 20.

Commuters Boost To Hit Plan Carfare

Redwood City and other Peninsula commuters today faced the possibility of having to pay as high as 10 cents to ride street cars in San Francisco. Present fare is 7 cents.

The raise was proposed this week at a meeting of the San Francisco Board of Supervisors by Supervisor Jesse C. Colman, who asserted people can afford the raise now "and will be agreeable to it if they consider its purposes."

Colman declared that commuters who work in San Francisco and live elsewhere, as well as other visitors to San Francisco, should pay part of the cost of transit improvements through higher fares.

"Property owners cannot stand further increases in the tax rate to finance all our postwar plans," Colman said. "The riders and users of the street cars will have to carry the burden."

"In this way," Colman continued, "those visitors who work in San Francisco and live in the suburbs will be making their just contribution to the improvements they will enjoy."

Colman said immediate proceeds from the increase should be used to pay off the debt on Market Stret Railway and thereafter profits should be set aside for postwar improvements.

Sequoia Shows Enrollment Boost As New Term Opens

With nearly 100 more students attending Sequoia High School now than at this time last year, 2047 boys and girls enrolled at the school Monday for the beginning of the spring semester, Supt. A. C. Argo reported today. Twelve new students registered from other high school districts in the state.

Total enrollment a year ago was 1967 and attendance was 1714 as compared to an average daily attendance of 1818 students now, Argo explained. Nine Sequoians transferred to other districts records show. Today grades are being distributed for last semester's work.

The current semester will end June 15. Students will have an Easter vacation from Mar. 21 through Apr. 1, Argo said today. No new courses have been scheduled for the spring semester.

Miss Eleanor Bushnell, a resident of Palo Alto ,will teach social living for the rest of the year, Argo reported. She is a graduate of the University of Washington and has been doing Red Cross work in San Francisco. Miss Bushnell will replace Mrs. Virginia Bailey who has resigned.

Miss Grace Cochran, social living teacher, is on leave of absence because of illness and Mrs. Everal Wyatt has been named to fill the vacancy, Argo added.

Four Injured In Weekend Accidents

Thomas J. Monroe, 60, of the Hassler Health Home, Redwood City, was in a serious condition at Community Hospital as a result of his being struck by an automobile on El Camino Real near the south city limits of Redwood City Monday at 12:45 a.m.

Driver of the car which hit Monroe, Bremond Halliday, Negro, of 170 Homer Ave., Palo Alto, took Monroe to Palo Alto Hospital for treatment, and believing that the mishap had occurred in Atherton, reported the accident to Atherton police who in turn notified Redwood City officers.

Monroe, suffering from a compound fracture of his leg and internal injuries, was later removed to Community Hospital.

Three persons received minor injuries in an intersection collision involving two automobiles at Broadway and El Camino Real shortly before midnight Sunday Redwood City police said.

Cecil G. Weaver, 21, 627 Myrtle St., Redwood City, and driver of one of the automobiles, was slightly injured and his two passengers, Lee Smith, 20, of 504 St. Francis St., Redwood City, and Walter Scott, 22, 969 Buena Vista Ave., San Francisco, were also injured.

Mrs. Clara A. Belshaw, 40, of 385 Levin Ave., Mountain View ,was driver of the other automobile, police said.

Commuter Train Hits Truck, Halts Traffic Half Hour

Several blocks from the Southern Pacific Depot where a throng of commuters were awaiting its arrival, a northbound passenger train Wednesday morning struck a pickup truck driven by Robert Mullin of Redwood City who escaped without injury although his truck was carried 200 feet along the track.

Mullin, who resides at 1614 Hudson St., was driving south on Main St. when the mishap occurred at the railroad crossing at 7:45 o'clock, police said.

The train was delayed for several minutes while the truck was being removed from the tracks and several later trains were as much as 30 minutes behind schedule upon arrival in San Francisco as a result.

Engineer of Train 127 was A. H. Mohr, 60, of 1557 35th Ave., San Francisco.

The 23rd and 91st Psalms are the most popular with GI's, Col. J. L. Blakeney, Ninth Service Command chaplain today declared.

Moffett Plane Crash Kills One, Injures Five

The 12th Naval Dist. today reported that one navy flier was killed and five others are missing following the crash of a medium bomber into the sea Saturday night while on a training flight from Moffett Field.

Lt. John Ballenger, pilot, of Hartford, Conn., was killed. Among the missing are ARM 2/c James W. Field and ARM 2/c Franklin R. Wilson of San Jose.

R.C. Man Found Guilty Of Forgery, Larceny

Elmer Johnson of Redwood City has been sentenced by Superior Court Judge Aylett R. Cotton to San Quentin Prison for conviction of forgery and grand larceny.

Johnson, an ex-convict, was charged with issuing bad checks on Mar. 17, 1944, and of taking $900 from Raffaele Frusciante, a soldier, the following day. He was scheduled to be taken to San Quentin this week.

Woman Hurt as Car Hits Grocery Truck

Groceries from a laden truck and trailer were strewn over Bayshore Hwy. Tuesday morning at 7:09 oclock following a collision between the truck and a car driven by Mrs. Opal Cluff, 37, of 3399 Page St., Friendly Acres, Redwood City police reported.

The accident occurred when Mrs. Cluff attempted to make a left turn north of Jefferson Ave. and struck the rear of the trailer, police said.

Force of the impact knocked the trailer over on its side, spilling an assortment of foods destined for Purity Stores, owners of the vehicle.

Mrs. Cluff was taken to Community Hospital where she is suffering from a fractured knee cap.

Driver of the truck, police said, was Henry J. Silva, 48, of 1838 Judah St., San Francisco.

$25,000 Suit In Building Deal

Suit asking payment of $25,436.56 for materials and trucks furnished for the rehabilitation and new construction project at San Bruno was filed Monday in Superior Court by the Lee Merrill Construction Co. against Wells P. Goodenough and Harold C. Geyer of the Goodenough & Geyer Corp.

In his complaint, Merrill states that materials costing $61,697.79 and trucks and drivers costing $7,436,06 were furnished for the project between Apr. 12 and July 31, 1944. $25,436.56 is still owing.

The action also names the Massachusetts Bonding and Insurance Co., executors of a surety bond as defendents.

Group Approves Donohoe Site For South County High School

Purchase of the Donohoe property, opposite Dibble General Hospital on Middlefield Rd., as the site for construction of a high school in the southern end of San Mateo County received the "go ahead" signal Tuesday night at an open, spirited meeting of Menlo Park, Atherton and Ravenswood residents.

In announcing this Wednesday, Supt. A. C. Argo of the Sequoia Union High School District reported that the board of trustees would begin injuiries immediately to determine if the Donohoe property can be purchased at this time. The large majority of residents meeting last night at the Menlo Park Elementary School expressed their approval of the Donohoe site.

A motion for the immediate purchase of a site was voted upon with only minor objections raised, Argo said. When the vote was taken on the Donohoe site, only a small numer of Atherton citizens, headed by Winfield Scott, opposed the motion.

R. O. Davis, a resident of Atherton, offered the only alternative site when he proposed that property southwest of Willow Rd. be secured for the new high school. Opposition was voiced immediately as the site was considered too far from Menlo Park and too close to the Palo Alto district boundary.

Approximately 50 residents attended the meeting which was presided over by Charles Merrill, chairman of the board of trustees. He opened the discussion by presenting Clifton Woodhams, Walter W. Hilton and Stuart Copps, members of the board. Merrill described briefly the previous action of the board in leading up to the calling of a public meeting on the high school site.

He stated that in the near future, Sequoia High School, with a plant which can care for 3000 students, would be overcrowded. The desire of the board of trustees was to purchase a site which was available now. The San Mateo County Planning Commission and the State Department of Education had first been consulted and at all meetings of the board in the past few months, civic groups had appeared to express their views on possible sites.

"It is the express desire of the board that the public shall be informed of all discussions about the purchase of a site. All interested citizens are urged to attend future meetings while this subject is being discussed," he emphasized.

Following Merrill's introductory talk, a movie on Sequoia High School in wartime was shown. Dr. James Thornton, Sequoia research expert, then summarized his study of the increased enrollment at Redwood City grammar schools which pointed to an overwhelming increase in high school students within the next five to ten years. Superintendent Argo next touched on the highlights of the San Mateo County Planning Commission study on population trends.

Although nine Atherton residents appeared before the board on Jan. 19 to oppose the Donohoe site, a number of Atherton citizens last night expressed their approval of the property. Also attending the meeting last night were Humphrey Lynch of the business department of Sequoia High School and Oscar Olsen, superintendent of the Menlo Park Elementary School.

Carl Yearing Heads Real Estate Board

Carl Yearing, Jr., of San Carlos, was named president of the Redwood City-San Carlos Real Estate Board at a recent meeting of the combined real estate boards of the Peninsula held in San Mateo.

Frank DePatta was elected vice-president of the Redwood City-San Carlos board, and Teddy Lauman was elected secretary-treasurer.

Miss Della Chiesa To Give Recital In S.F., Feb. 18

The career of Vivian Della Chiesa who will be heard in joint recital with the famous guitar virtuoso, Andres Segovia, on Sunday afternoon, Feb. 18 at the Opera House, came to an exciting climax in Jan., 1943, when Arturo Toscanini paid her the unprecedented honor of presenting her as soloist with the NBC Symphony Orchestra in two successive Sunday concerts. Equally at ease in opera, on the radio and on the concert platform, and equally successful in all three fields, Miss

Della Chiesa decided in 1943 to leave her two regular radio programs on which she had been starred for three successive years (American Melody Hour and Album of Familiar Music) in order to meet the tremendous growing demand throughout the country for her concert, opera and radio appearances.

Devotees of the opera know and admire her performances in such varied roles as Floria Tosca in "Tosca," Violetta in "Traviata," Marguerite in "Faust," Mimi in "Boheme," Micaela in "Carmen," Desdemona in "Otello," Dona Elvira in "Don Giovanni."

Last Fall, Miss Della Chiesa sang the role of Alice Ford for the first time with the San Francisco Opera Company and several nights later her performance of Marguerite in "Faust" evoked high praise from the critics.

Self-Watering Seed Box Helps Get Early Start

Amateur gardeners who start Victory garden seeds indoors will find success easier if they make use of the latest device for watering—wick feeding. You bore a hole in the bottom of a shallow box (seedsmen sell them knocked down); insert a wick, preferably of fibre glass, about 4 inches long. A lamp wick, or even a piece of cotton clothesline will serve quite well. The box is elevated on two pieces of wood, so that the lower end of the wick can be immersed in water in a saucer, pan, or what have you.

This simple device solves the most difficult problem of managing a seed box, which is watering. Keep the reservoir filled, and the soil in the box will remain at just the right state of dampness, without dripping or drying.

To start the action, soil is first saturated by lowering the box in a tub of water; and after it has stopped dripping, it is placed in a dark place until the seeds germinate.

Sphagnum moss can be used, if desired, to prevent damping-off, which is a fungus disease that frequently attacks seedlings. Rub the moss through a coarse sieve or collander and place a layer of this shredded moss over the soil in the flat, to the depth of ¼ to ½ inch. Firm and saturate soil and moss. Drop the seeds on the moss, and cover very lightly with a thin layer of sphagnum. Proceed from this point on as with soil culture.

Seedlings may be sown in this seed starter in rows, broadcast or in plant bands. When sown in rows or broadcast, more seedlings can be grown; but either they should be transplanted once indoors to another starter in which the plant bands are used; or they should be sown late enough to permit of transplanting to the open garden before they get too large.

For sowing in rows, mark rows two inches apart by pressing lightly in the soil the edge of a ruler, then drop the seeds evenly along the row thus marked and cover lightly with fine soil or sand. Firm the soil by pressing lightly with a block of wood.

To broadcast, shake seed from packet so that it falls as evenly as possible over the entire flat; then cover lightly with a fine soil or sand and firm by pressing lightly with a block of wood.

Immediately sprouts appear place the box in the sunniest window you own. A kitchen window is good, because humidity is always greater there.

Top Cut—Wick is pushed through hole in bottom of flat, frayed top is embedded in soil.

Lower Cut—Lower end of wick is immersed in water in dish below flat. Wick keeps soil moist.

Local Contributions Aid Filipino Recovery

With the liberation of the Philippines from the Japanese more than $1,000,000 is being sent by the War Chest to the people of those islands for rehabilitation, Duncan Reynard, president of the Redwood City War Chest reported today.

Hundreds of dollars contributed locally are included in the appropriation by the national agency for assistance to the Filipino people to once again set up normal living after three years of Nipponese occupation.

Joseph Kyne Wins Marine Promotion

Marine Master T/Sgt. Joseph Kyne, son of Mr. and Mrs. F. J. Kyne of Moss Beach, has been promoted to his present rank while stationed at the El Toro Marine Air Station, Santa Ana, where he is a mechanic attached to a fighter squadron.

He has served overseas on Midway, New Zealand, New Caledonia, and in the Russell, New Hebrides and Hawaiian Islands.

He enlisted in the marine corps on June 3, 1941.

Bob Bielenberg Back in States

S/Sgt. Robert E. Bielenberg has arrived in the United States on furlough from the European Theater of Operations where he served 28 months with the infantry, the Ninth Service Command has announced.

Wearer of the Purple Heart, Bielenberg participated in the invasion of North Africa at Casablanca and later landed at Sicily.

He was wounded in action in Italy, Nov., 1943.

Bielenberg is the son of Mr. and Mrs. P. Bielenberg, 521 Fifth Ave., Redwood City.

Marriages Increase, Births Drop in County

Marriages in San Mateo County took a jump from 82 in January, 1944, to 114 last month, County Recorder T. Clark Rice reported today. Births took a drop, however, from 141 to 110 last month. Number of deaths took a tremendous drop, from 160 to 114.

Fees in Rice's office last month totaled $4258.55, compared to $4096.85 in January, 1945. Number of papers handled by the office increased from 2415 to 2866.

By 1800, almost one-fourth of the farmers of the nation were tenants.

The term Mikado is used by foreigners to designate the emperor of Japan, but not by the Japanese themselves. Their word is "Tenno."

Bullock Attacks Herrscher Action

Joseph J. Bullock of Redwood City, attorney for Robert S. and Lindsay Howard, executors of the estate of their mother, Mrs. Fannie Mae Herrscher, Monday attacked an amended complaint of Edmond E. Herrscher, San Francisco attorney, as "ambiguous and uncertain."

Herrscher asked almost $1,000,000 from the estate of his wife. Bullock's attack was made in a demurrer filed in superior court here. Herrscher asked $800,000 because, he claimed, he discontinued his practice and devoted all his time to his wife's estate, in accordance with an oral agreement. He asked $150,000 because of the increase in value of community property.

Validity of the purported oral agreement was challenged by Bullock, who asked that certain parts of Herrscher's amended complaint be stricken. Arguments will be heard Feb. 19.

Two Sailors Jailed On Car Theft Charge

Two sailors stationed at Camp Shoemaker were arrested yesterday by the California Highway Patrol and booked at the county jail here en route to San Francisco police on charges of stealing a pickup truck in San Francisco.

Elmer T. Liveley, 18, and Mike E. Trujeque, 20, were arrested on Bayshore Hwy. north of Broadway, Burlingame.

A New Home Scrap Book Becomes a Happy Hobby

Thousands of California families are building their Homes of Tomorrow—today!

Of course, it is a dream house contained in a collection of ideas in an ever-fattening scrap book. But out of this scrap book some day the real home will be built free from regretful mistakes.

In this Home of Tomorrow mechanical servants will reduce the labors of housework to a minimum. In the laundry, for example, there will be an automatic washer, a clothes dryer, and an ironing machine. And in the kitchen, food will be stored and prepared and cooked by an assembly line of home appliances. And modern lighting will make the whole house cheerful and bright.

The important key to this home of modern 194x Living will be Adequate Wiring. That means plenty of circuits of large enough wire, with sufficient switches and plug-in outlets properly placed. Adequate Wiring, too, provides full power at all times for the most efficient, carefree and economical operation of lights and appliances.

Baking tips for good eating

RICH BISCUIT DOUGH

For rolls and coffee cakes

2 cups all-purpose flour
3 tsps. baking powder
½ tsp. salt
6 tbsps. shortening
1 egg
Milk

Sift flour; measure; and sift again with baking powder and salt. Cut in shortening until it is as fine as corn meal. Break egg into measuring cup; beat with fork; and add enough milk to make ⅔ cup liquid. Add to flour mixture; stir with fork until all of flour is dampened. Turn out on lightly floured board.

This basic dough is suitable for almost every imaginable type of roll or coffee cake. For example:

CINNAMON NUT ROLLS

Use Rich Biscuit Dough Above.

Roll dough ¼ inch thick; spread with 2 tablespoons softened butter and sprinkle with 2 teaspoons cinnamon and ¼ cup sugar. Roll up as jelly roll and cut in ¾ inch slices. Sprinkle a few coarsely chopped nuts in the bottom of a well-greased muffin or square pan; place rolls on top. Bake in moderately hot oven (425°F.) for about 15 minutes.

BEAR CLAWS

Use Rich Biscuit Dough Above.

Roll dough ¼ inch thick; sprinkle with ½ cup firmly packed brown sugar, 1 tablespoon flour mixed with 1 teaspoon cinnamon, and ½ cup seedless raisins. Roll up as for jelly roll; cut in 2 inch pieces, flatten out. Slash one folded edge at inch intervals to within ½ inch opposite side using scissors. Place on baking pan. Bake in moderately hot oven (425°F.) for about 15 minutes.

TEA RING

Use Rich Biscuit Dough Above.

Roll dough ¼ inch thick; spread with jam, jelly or fruit and nut mixture. Roll up as jelly roll; place on greased baking pan bringing ends together. Slash with scissors from outside almost to center about every 2 inches. Bake in moderately hot oven (425°F.) for about 15 minutes. Ice when cooled with powdered sugar and milk frosting.
